

# Four Different Articulations

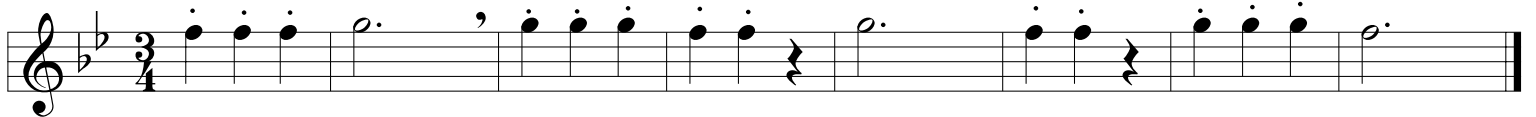

1. Slur (Tongue only the first tone of each slur)

2. Legato tongue (Soft tongue strokes - No break between tones)

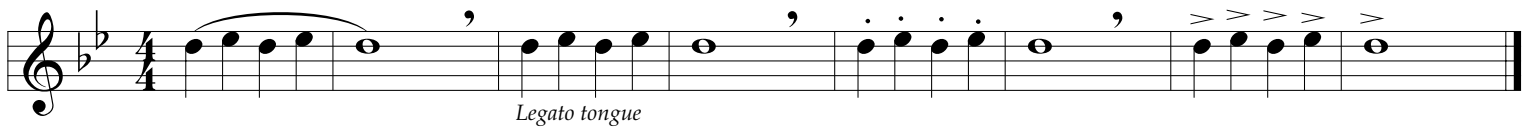

3. Staccato dots (  $\dot{\cdot}$  ) (Play tones short and detached)

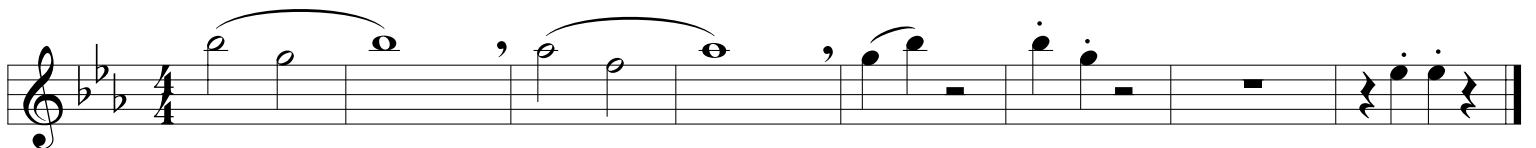

4. Accents (  $>$  ) (Play beginnings of tones with extra energy)

5. Compare four different articulations

6. Listen to the articulation changes

7. Slur, staccato and accent soup
